Peoples Company - Clive  
12119 Stratford Drive, Suite B  
Clive, IA 50325

## BIO

Jaxon Goedken is a land analyst for Peoples Company, one of the nation's leading providers of land brokerage, land management, land appraisal and land investment services. Since joining the company in 2017, Jaxon has been involved in multiple departments of the company with experience in the land appraisal, land investment and land brokerage divisions. Jaxon uses his experiences to assist the brokerage team on large, complex projects across the country.

## EDUCATION

Jaxon grew up in rural northeast Iowa on a small row crop and livestock operation. He attended Iowa State University where he graduated Magna Cum Laude with a major in Agricultural Business and a minor in Agronomy.
