BIO

Leah Young grew up in rural SW Kansas, but she considers Wichita her home where she raised her two sons, and she and Dan, her husband of 18 years, still reside.

Whether in her career or her home life, Leah can be defined by her pragmatic, confident approach to any project she undertakes. Her dedication and competence have led to satisfied clients, a positive reputation for her employers, and a zest for the activities in which she is involved.

EDUCATION

Being licensed in Kansas to sell real estate, and having graduated from the Professional Ringman's Institute in Tennessee, Leah's focus is assisting clients in the land auction process.
