Peoples Company - Clive  
12119 Stratford Drive, Suite B  
Clive, IA 50325

## BIO

Randy Porter joined Peoples Company in October of 2021 as the Director of IT. Randy has been professionally involved with information technology for nearly thirty years. During this time, he has worked as a software developer, database administrator, project manager, manager, and director. He has also been a small business owner, operating a software consulting business for several years that focused on project work as well as staff augmentation. Randy has worked in a wide range of industries like farm management, real estate, healthcare, transportation, architecture, insurance, commodities trading, and oil and gas.
