BIO

Growing up on a farm in rural Clinton Co., Alan McNeil has been involved with Agriculture since a young age. After high school Alan continued his agricultural education at Iowa State University and graduated with a Bachelors degree in Public Service and Administration in Agriculture. After college Alan began his brokerage career. Over the past 3 years since graduating college Alan has traveled throughout the Midwest and the Delta evaluating farmland. Alan has helped close over Millions of Ag real estate. Alan Looks forward to talking to any potential clients.
