BIO

Brady is equipped to help landowners value land with transparency and impartiality. Working on appraisal assignments in Indiana and Michigan, his goal is to always gain the trust of clients and create a positive relationship with every client he encounters. He wants there to be no doubt in a past client's mind that they would use his services again if the need were to arise. In his free time, Brady enjoys hunting, hiking, and fitness. Brady is currently on track to obtain his Certified General Appraiser licenses in Indiana and Michigan.
