Cumming, IA 50061

BIO

Brandon Tessau joined Peoples Company in the summer of 2022 and specializes in Land Brokerage, guiding clients through the sale and acquisition of agricultural, recreational, and development land. He works closely with landowners to strategically market properties through public auctions, listings, and off-market transactions. Brandon also assists farmers, 1031 exchange clients, and investors with capital allocation to secure land for future generations. Passionate about land and committed to building lasting relationships, Brandon combines deep market knowledge with the full resources of the Peoples Company platform to deliver tailored, results-driven solutions that help clients achieve their goals.

In his free time, Brandon enjoys hunting, fishing, coaching wrestling, and spending quality time with friends and family.
