BIO

Julie joined Peoples Company in September of 2022. She credits her liberal arts background to her excellent writing and prior knowledge of farming.

In 2014, Julie began her land management career at Delta Land in Mer Rouge, LA. Over the following eight years, she built an extensive network of successful farmers in the region, directly managing over 75 tenants across 18 parishes. She managed the organic rice farming operation at Delta from its infancy (2015), managing the transition and certification, being at the forefront of sustainability programs in the region and she looks forward to growing her knowledge of commodity prices, commodity markets, input supply chains, and the annual financial needs/concerns of a given landowner.
