Kara Boeckenstedt joined the Peoples Company team in October 2026 as a Land Agent Assistant supporting Managing Broker and Auctioneer, Jesse Meyer. In her role, she handles day to day operations, from coordinating auctions and listings to managing advertising and developing marketing proposals.

Kara was raised on a family farm in Eastern Iowa, where she developed a connection to agriculture through her involvement in 4-H and FFA. She went on to attend Kirkwood Community College, earning an Associate's Degree in Agricultural Business. In her free time, Kara enjoys being outdoors, whether she's golfing, gardening, or helping with her family's cattle and crop operation.
