BIO

Kurt Hollenberg has been actively involved in his family's farming operation for over 26 years, which sparked his early interest in land ownership. He obtained his real estate license in 1995, and later transitioned to a full-time land agent, earning his Missouri broker's license in 2006. Throughout his career, Kurt expanded his expertise by becoming licensed in Kansas, Arkansas, Iowa, and Nebraska. In 2018, he achieved the title of Accredited Land Consultant and served as the past president of the Missouri Chapter of the REALTORS® Land Institute. In addition to helping clients with traditional land transactions, Kurt has brokered and managed numerous land and ranch auctions and provided property management services.

Kurt's clients have praised him as "fair, dedicated, sincere, knowledgeable, and professional." Kurt, in turn, describes himself as "driven." His business philosophy is straightforward: he believes communication is crucial. According to him, there should be no room for assumptions—ask questions and ask them again. Most importantly, he emphasizes the need to truly listen.
