Peoples Company - Bloomington
1907 Jumer Drive, Suite D
Bloomington, IL 61704

Landon is a 6th-generation family farmer based in Lasalle County, IL. Growing up on the Family farm has given him opportunities to meet many local farmers and ag business professionals. Working previously for a co-op as well as being summer help for farmers in the area, Landon is well-versed in the ag industry and will use this experience to provide advisory services to clients.

Landon graduated from Northern Illinois University with degrees in both finance and sales. After graduating, Landon worked in Agtech, where he was able to cultivate lasting relationships with many leaders in the agriculture space. As both an operator and a broker, he understands the importance of stewarding the land from both perspectives. Landon's approach includes building lasting relationships, giving transparent consults, and disciplined execution.

When not farming, his hobbies include golfing, working out, and spending time outdoors. He also enjoys growing farm-fresh apples and sweet corn for members of the community.
