Peoples Company - Clive
12119 Stratford Drive, Suite B
Clive, IA 50325

Sean McAvoy is the IT Manager at Peoples Company, overseeing the firm's technology strategy, infrastructure, and security. With more than 27 years of experience, he has designed enterprise applications, architected complex systems, and delivered solutions that enhance efficiency and performance across industries including agriculture, energy, and insurance.

His background in software architecture and development, combined with a collaborative approach, ensures Peoples Company's technology remains secure, innovative, and aligned with the firm's growth and client service.
