Peoples Company - Clive
12119 Stratford Drive, Suite B
Clive, IA 50325

Zeb Guinn joined Peoples Company in 2024 and is involved in land brokerage and land auctions. He was raised on a cattle and crop farm in Moulton, IA. His family has been farming the same land continuously for over 150 years. Zeb is still involved in the cow/calf and row crop operations of that heritage farm today. While attending college, Zeb met his wife, Tara, and together in 2019 they purchased their own farm just a few miles away.

Zeb and Tara live on their farm with their four kids EilaRose, Evelyn, Everett, and Edson. When he isn't working, he spends as much quality time with his family as possible. Some activities the family enjoys doing together are hunting, fishing, and long drives in the country.

Zeb developed a strong work ethic on the farm and applies this to everything he does. He goes above and beyond with any task, an attribute that sets him apart as a Land Agent for Peoples Company. His passion for agriculture and extensive hands-on knowledge allows him to serve his clients to the highest degree.
